

Discussion Questions

*These discussion questions were created for both mother and daughter to answer and discuss. Remember the memories and moments that are created when our girls hear us tell stories and share our thoughts!

1. Ask each other what your favorite fashion style is and talk about why you like that style!

2. In today's video, Ashley said "love is not just a feeling, it's a choice." Discuss what you think that means.

3. If God made all of us unique on purpose, what do you think is one of your unique qualities that makes you different and special on purpose?
